## Cover Home

218 PLANTATION CLUB DRIVE

This beautiful home has spectacular ocean and island views. This incredible residence sits on 2.2 acres of prime real estate perched above the 18th fairway over the renowned Plantation Golf Course at Kapalua. These gorgeous views are from every room and overlook five fairways to the ocean. This home has over 7200 square-foot of the luxurious living space with five bedrooms and five and half bathrooms. It features a glass fronted wine cellar, gourmet kitchen, exquisite dining room, and

media room with sound system, including bar. This is a great entertaining home with expansive lanais, covered BBQ area and pool seamlessly connected to the home bringing in the outdoors through large pocket doors. The home has an abundance of natural light and is built to embrace its commanding location overlooking the Islands of Molokai and Lanai. Photovoltaic system offsets electric bills. Offered at \$8.8M.
