There are very few places in this world where you can sit poolside all year-round. Even desert destinations such as Palm Springs and Las Vegas have an official "pool season." Thankfully, Hawaii provides the opportunity to sunbathe and play in the pool every day, all year long. This issue we celebrate some of the islands' most spectacular pools and spas.

From this issue's Oahu cover home, you can sit in the pool and spa to soak in views of the Pacific in one direction and Diamond Head in the other. With 183 linear feet of ocean frontage, you'll have enviable beach access. For more information about *Diamond Head Perfection by the Sea*, presented by Tracy Allen, turn to pages 4 and 5.
