

Premium View Location at Black Sand Makena

Kihei, Maui | **\$11.75M** | **0.82** acres | **5,485** sqft living | **5BR / 5.5BA** | MLS 377267

Black Sand at Makena consists of a 7 lot oceanfront compound with a gated entry. Entering through the massive mahogany door one is captivated by the 20 ft ceilings that capture the full Makena coastline from the Pu'u (cinder cone) of Black Sand Beach through to the West Maui Mountains. The master suite with vaulted ceilings provides an equally impressive view plane of year-round sunsets over the expansive Pacific. When the whales arrive they invariably spend time around Black Sand where you can listen to the sing song of mother and calf.
