

A large, modern tropical house at night, illuminated by warm interior and exterior lighting. The house features a dark, tiled roof and large glass windows that reveal a well-furnished interior with green armchairs and wooden furniture. In the foreground, a swimming pool reflects the lights from the house and the surrounding palm trees. A circular gazebo with a tiled roof and white columns stands on a raised platform in the pool. The scene is set against a dark blue twilight sky, with several tall palm trees scattered throughout the property.
