

\$1,698,000

## 6278 UPOLO PL

Honolulu, Oahu | 3,725 SQFT | 4BR/4BA  
MLS# 202100660 | \$1,698,000

Artfully designed, this inspiring home offers separate areas for comfortable living, remote work, study, play, workout and relaxation. Chic and unique, soaring high ceilings allow ample natural light and create an open feeling. The innovative glass 'garage' style doors in the kitchen and master bedroom open to a tranquil pool and spa, creating seamless indoor/outdoor living spaces. Additional features include stainless kitchen appliances, a mix of concrete, wood, and tile floors downstairs, carpeted areas upstairs. Open rooftop deck is perfect for outdoor workouts, family entertaining, or just gazing at the stars. <https://player.vimeo.com/video/499556693>
