# Aloha from Maresa

**Say Aloha!** Send editorial & advertising inquiries to info@lhmhi.com

While the global circumstances of this season certainly took us by surprise, we are grateful for a renewed sense of community and a reminder of the importance of ohana. In this time of transition, there is one thing that seems to be more important than ever before: *home*. Having a safe and comfortable home where you can shelter in place for the proverbial (and sometimes literal) storm is paramount. We understand that not everyone has the luxury of this security. Although the work we do today might not improve conditions around the world, we are focusing our efforts on a micro level. The LHM Ohana is dedicated to connecting Realtors to homeowners and homebuyers across Hawaii who are ready to feel safe and settled in the right home. Let us know how we can be part of the solution for you.

Thank you for taking the time to pick up the magazine, read this note, and share some Aloha. We appreciate you!

Mahalo,

## TESTIMONIALS

“The cover of *Luxury Home Magazine* and being the cover of *Luxury Home Magazine* feels absolutely phenomenal. The presentation is excellent, it is executive, it is put together so well, and I could not have done it without you putting in extra time and effort to match my schedule and my abilities to what needed to be done when. And really, working with your team has been such a pleasant experience. I highly recommend advertising in *Luxury Home Magazine*. I read every single page, every write up over the last six to nine months in your magazine, and I am very impressed. It is the best of the best, and even with paper print, it still has the most value for marketing, for reach, and for prestige. My seller is thrilled to be on the cover! Everything looks phenomenal. Working with both of you made it possible. It is absolutely worth every dime and such a pleasure to do so.”

“I wanted to give you a buzz to let you know that I received my magazine yesterday, the newest edition, and I was blown away! I think it is so beautiful and it really had a luxury feel and a luxury look. The photography was fantastic! I can't thank you enough for the detail that you all put in at *Luxury Home* to make such a beautiful magazine. You know I am one of your fans anyway but this particular issue, I don't know what you did differently, but keep it up. It is really, really beautiful. I love the compass section too, as a founding member, so that was a thrill to see. And I look forward to working with you next year.”
