## DISTINCTIVE ESTATE HOME AT KOHANAIKI

Kohanaiki, Big Island | 4BR/4.5BA | MLS# 637909 | \$17,000,000

Zak Architecture created a crisp and clean symmetrical plan in their signature contemporary Hawaiian style, as the Douglas Durkin Design team simultaneously developed the rich color palette of the finest architectural and interior design materials. The firm of Metzler Contracting was engaged to bring together these materials and concepts to create this singularly beautiful home. The Owners have wonderful taste and communicated the desire to build a home that captures the look and feel of the Big Island and its culture. Some of the finest craftspeople were called upon to create bespoke furnishings, including hand tufted silk and wool carpets from V'Soske of New York, hand printed fabrics produced by Pintura Studios of New York, custom designed and carved plantation teak furniture, and outdoor suites of furniture produced by Warisan of Indonesia, Tom Sellars Woodworking and Luis Rossi of San Francisco, and the sophisticated custom hanging light fixture by Aqua Creations. New York artist Nancy Lorenz was commissioned to create a magnificent series of five lacquer wall panels for the Great Room, in rough hewn wood and layers of lacquer and gold to emulate the sea. This is a very special home in a very special place, executed with an extraordinary vision, level of quality and attention to detail.
