A stunning custom resort home on the Kohala Coast with spectacular, deep 180-degree ocean views. Built in 2017 in a Hawaiian contemporary design to meticulous standards. Kohala Waterfront is a private oceanfront gated community of multi-million dollar homes overlooking Kai'opae Bay and across the channel to Maui, with near perfect weather, great snorkeling and just minutes away from world-class resort amenities and the historic town of Waimea. Watch the whales and spinner dolphins, listen to the waves, and enjoy year-round incredible sunsets from this magical spot.
