Haiku, Maui | 2,985 SQFT | 4.1 AC Land | MLS# 388928 | \$2,885,000

Private and wind protected at the center of Waipio Bay, there is a secluded, luxurious, oceanfront north shore property offering a safe haven for extended family. Minutes from world-class windsurfing, this tropical retreat has the drama of Hana without the drive. Large old mango trees frame a rock lined steam bed. A trail through a lush fern forest leads to the orchard with an array of tropical fruit, flowers and nuts. The main house is 2985SF with 2 bedrooms, 2 baths, an office and a large covered lanai looking straight into Waipio Bay. A waterfall cascading into the rock beach can be seen from the upstairs lanai.
