RARE PARK LANE
SKY RESIDENCE

Honolulu, Oahu | 3,081 SQFT | 3BR/3.5BA
MLS# 202106674 | \$9,950,000

Prominent penthouse position in preferred Building 3 provides vibrant mountain to ocean views, exceptional natural lighting and through breezes. Floor-to-ceiling walls of glass in both the front and back of the residence, master bedroom and guest rooms all focus on the dazzling everchanging views. Mountains come alive at night while the sun sets to the South-South West. Extra large lanai and living, dining & kitchen areas flow seamlessly together to accommodate large & small gatherings. The convenience of Building 3 in relation to the lobby and luxurious amenities is wonderful! Your front door is just steps from the elevator!
