PEACE & PRIVACY SEPARATE GUEST HOME

Kailua Kona, Big Island | 2,375 SQFT
3.35 AC | 3BR/3.5BA
MLS# 653632 | \$1,299,000

This tranquil, serene, unique home with a separate very private guest studio is nestled in the Forest Reserve area of Kaloko Mauka with lush tropical views and the ocean beyond. Enjoy the quality of the New Zealand log exterior walls made of Radiata Pine. The great room with wainscoting and an open beam ceiling has twelve panels of glass that optimize the views onto the 1200 sq ft deck. In 2017 a new roof was installed and in 2020, the uncovered portion of the front deck was replaced with eco-friendly Trex composite decking. Schedule a time to see this amazing one of a kind home while it lasts or check out the Matterport if you're not able to be here in person.
