

An aerial photograph of a large, modern luxury residence with a dark, angular roofline and a large, illuminated outdoor swimming pool. The property is surrounded by lush tropical landscaping, including palm trees and red flowers. A paved road leads to the property, and the ocean is visible in the background, with waves crashing against a rocky shoreline.

Download your luxury real estate market report

By now you're likely aware that there's been unprecedented activity in Hawai'i's luxury real estate market. Indeed, across the island chain, we have seen historic levels of sales activity, especially in the luxury segment. As the statewide leader in luxury real estate, both in the number of sales, and total sales volume, Hawai'i Life is in the unique position to report on key metrics and trends that impact our clients. If you'd ever like to have a more detailed conversation about the market, or the value of your property, please feel free to reach out anytime.
