

## 4.5 ACRE SEASHORE ESTATE

Wailuku, Maui | 2,640 SQFT | 4.5 AC | 3BR/4BA | MLS# 393612 | \$7,200,000

A rare quality of life awaits stewardship of this 4.5-acre oceanside home. These choice grounds hold 2 tastefully placed homes built in 2020. Discreet, private, and completely unassuming, this plantation-style haven exudes all the attributes of oceanside serenity, from the sounds of our local and migrating sea birds to the sounds of the surf meeting the shoreline, it's the complete dream setting. The layout of the grounds displays the thoughtful consideration of a traditional Hawaiian plantation-style build. The property is harmonious with the coastline

and community. The stylish exteriors and interiors of the homes are done with the highest quality materials, made for long-standing stability and luxury oceanside living. Design by a team from Hue Home Design known for coastal luxury counsel. The main house is outfitted with a photovoltaic system (owned) with Tesla batteries. Each bedroom has its own private custom bathroom. The views expand from the cliffs of Northshore to Napili point, with everything in between. From whales to waves, from surfers to divers, the views like the memories, are never-ending.
