

5792 KAHILIHOLE ROAD

Kilauea, Kauai | 4,511 SQFT  
4.25 Acres | 4BR/4.5BA  
MLS# 651818 | \$6,250,000

This lush and private 4.25 acre estate is comprised of three contemporary / asian detached structures, situated to take in views of the beautiful surrounding scenery. The main home of roughly 3,500 square feet which features 3 en-suite bedrooms, a 1 bedroom / 1 bath guest house of 500 sqft and a separate 3-car garage / multi-use building are all thoughtfully placed within a meticulously and maturely landscaped compound. Large trees and ultra private spaces, including outdoor garden shower areas complete with large, ancient moss-covered stones, set the tone for this Asian influenced gem. A large porte-cochere and entryway open into the main home's expansive living room offering multiple sitting areas. An immaculate open kitchen blends vibrant wood grains with stainless appliances and black countertops.
