This sensational home is sited on an exceptional one-acre lot, with privacy and unobstructed views, making this a rare opportunity in a coveted neighborhood within beautiful Waimea. Walk to town or school with the kids, this home is in the best part of town. Mature landscaping includes jacaranda, park-style magnolia trees, macadamia nut tree, mango, guava, avocado, and papaya trees. The perimeter of the property is lined with old growth paper bark eucalyptus trees along with birds of paradise. Best of all perhaps is the beautiful ohia trees with red and orange lehua. Fully fenced and gated for additional privacy this is a rare find. Truly a must see!
