Makena is the consummate south Maui location, nature focused with a true Hawaiiana feel, tranquil and rural yet only minutes from Wailea. A gated entry, steps from the expansive white sand beach leads to the secluded luxury of this 5 bedroom, 4.5 bath single level custom home, a classic Island Plantation-style architect-designed with the perfect balance of entertaining areas, private spaces and indoor/outdoor living. A central great room with 20 foot vaulted ceilings and commercial-grade kitchen connects three separate wings. The south and west wing each feature spacious, separate master suites with soaring ceilings, sitting areas and luxurious baths, the south wing with its own putting green. The east wing features a family/entertainment room serving three bedrooms (one en-suite) and 2 baths. Walls of windows enfold the great room and bedrooms to connect you to wide
