

99 NIUIKI CIRCLE

Diamond Head, Oahu | 4,057 SQFT
 11,574 SQFT Land | 5BR/4BA
 MLS# 202208484 | \$4,995,000

This beautiful Colonial has been updated with a modern-designed interior by an owner who understood the value of an inspiring floor plan and rooms of generous proportions. The lot is wide on Niuiki Circle and takes full advantage of that frontage for parking and the second story views to the ocean. Sun and moon rises over Koko Head are awe-inspiring. Niuiki Circle has two docks for access into the ocean. Additional highlights are a separate guest suite and office. Lush backyard grounds adorned by a sparkling pool and stone patio areas for entertaining complete the magic of this home.
