Hakalau, Big Island | 1,726 SQFT
4.757 AC | 2BR/1Full/2Half BA
MLS# 662567 | \$1,475,000

Set among large agricultural parcels and rural lands of the Hamakua Coast, this 5-acre property provides a great combo of privacy, easy access, and beautiful views. Abundant deck space w/ocean view! The covered lanais offer leisure outdoor living. Underground electrical with catchment water system. Abundant storage: almost 1,000 sqft basement. Additional adjacent 1 bedroom, $\frac{3}{4}$ bath. The lot has been planted to provide not only an edible landscape but also a wide variety of textures and shades of green, accented with blossoms of purple, red, yellow, and orange. There are over 200 fruiting trees and a large diversity of ornamental plants, giving this enclave a private, comfortable and productive feeling.
