BRAND-NEW
CONSTRUCTION AT
KAILUA BEACH

Kailua, Oahu | 3,603 SQFT | 10,000 SQFT Land
4BR/4.5BA | MLS# 202217137 | \$6,250,000

Be the first to live in this custom, new construction home, just one lot from Kailua beach. Two large suites on the ground floor with walk-in closets and two en suite bedrooms upstairs. The kitchen features high-end appliances, a gas range, and cabinetry by Axiom designs. White oak and alder solid cabinets and built-ins. Spillway water features in the pool, brass landscape lighting, and integrated fire sprinklers throughout for added safety. The property is fully encompassed by concrete walls and an automatic driveway gate leading to the two-car garage. This beautiful beachside lane enjoys private deeded beach access shared with Mahiloa Place. This is a rare opportunity to live in a top-tier, new construction home.
