MAJESTIC MANOA MASTERPIECE

Honolulu, Oahu | 6,411 SQFT
9.481 AC | 4BR/4BA | Call For Pricing

This tranquil property sits on 9.481 acres of preservation land at the end of Paty Drive. Amazing 360-degree surrounding views. Not only does nature hug every crevice of this home, but it is also the centerpiece of the main floor living area. Breathe in fresh air from the comfort of your sofa. The airy design, along with the soaring glass ceilings, integrates the home with nature, making this home the ultimate sanctuary. Award-winning renovations by international designer Beatrice Girelli of Indidesign. An external glass elevator was added in 2021, along with re-landscaping and re-decking.
