

## 860 ONAHA STREET

Honolulu, Oahu | 3,590 SQFT Total  
10,567 SQFT Land | 4BR/3BA  
\$3,950,000

Tucked away along Kahala's sought-after Onaha Street with wide streets, sidewalks, & quiet ambiance, discover this beautifully-kept home fully re-imagined by Architect Peter Vincent in 2014. Inside you'll find a contemporary 4 bedroom, 3 bath single-level floor plan designed for indoor/outdoor living with multiple pocket sliding doors opening up to a spacious covered lanai, large pool area, & separate hot tub deck. Design features include Fleetwood windows & door systems, large 3'x3' travertine flooring throughout, designer Studio Becker chef's kitchen with walk-in pantry, a serene Japanese-style garden just off the primary bedroom & bathroom suite, plus a landscaped & walled yard space with incredible curb appeal.
