Say Aloha! Send editorial & advertising inquiries to info@lhmhi.com

Summer will always be wedding season, and at *Luxury Home Magazine*, we are married to the idea of traditions. On the following pages, you'll find something old, something new, something borrowed, and something blue. But in this issue, we are most excited about our something *new!* Introducing: Luxury Row. This special section, which will continue to appear proceeding this page, is our homage to a handful of Hawaii's top properties. The debut features Realtors Greg Burns and Anna Achauer. We invite you to stop there first and have a look around. Welcome to Luxury Row.

Just beyond Luxury Row, you will find this issue's jaw-dropping cover home. With 7,200 square feet under roof, the Hawaiian Estate Home at Kohanaiki has plenty of room for lounging and entertaining. For more information on this architectural gem, presented by Joni J. Metzler, turn to pages 18 & 19.

Thank you for taking the time to pick up the magazine, read this note, and share some Aloha. We appreciate you!
