Welcome to the holiday issue of *Luxury Home Magazine*!

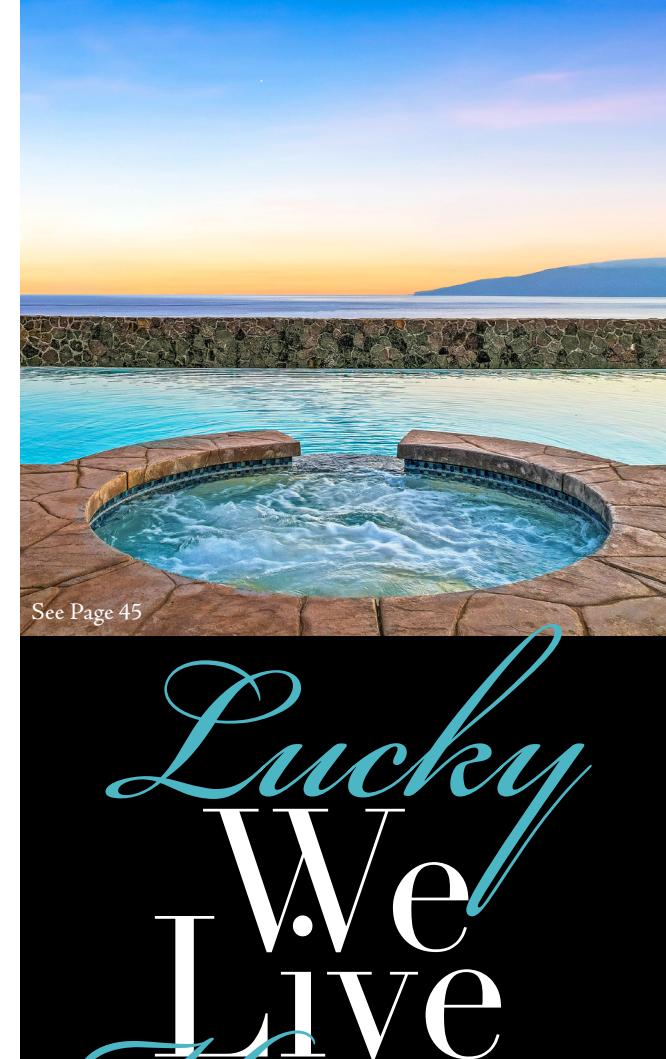

Every year, we look forward to filling the pages of this issue with celebration. The holiday season and year-end offers a time to slow down and reflect on the highs, lows, gifts, and losses of the past twelve months. This year, as with many recent years, our gifts were often presented in tandem with our losses. They are the rainbows in the storms, and we cherish the opportunity to see so many glimmers of hope.

We are sincerely grateful for your involvement with our publication—whether you are a reader, a Realtor, or another industry professional. Mahalo for letting us share our *Luxury Home Magazine* ohana with you, and we hope to learn more about you and yours in the coming years. Cheers to a warm holiday season and a bright New Year full of health and happiness!

A rare and remarkable one-of-a-kind offering.

THE DOUBLE HOMESITE WITH ONE-OF-A-KIND HOUSE PLANS. \$3.95M
SEVEN BEDROOMS / EIGHT FULL BATHS & THREE HALF BATHS

For Hapuna Estates, obtain the Developer's Public Report for a Condominium required by Hawaii law and read it before signing a binding sales contract. No federal or state agency has judged the merits or value, if any, of these properties. This does not constitute an offer to sell or a solicitation of any offer to buy where prohibited by law.

AT THE BELOVED MAUNA KEA RESORT

Considered the most sacred of the island's five volcanoes, Mauna Kea's summit is the highest in all Hawaii. Quite naturally, ancient Hawaiian law reserved visits to the peak for only the highest-ranking nobles. In keeping with this tradition, the most spectacular property at the resort is at the highest elevation, on the golf course, with expansive ocean views. Express your interest in this double homesite, which is offered with visionary architectural plans.
