

*A rare and remarkable one-of-a-kind offering.*

HOMESITES WITH AMAZING OCEAN VIEWS STARTING AT \$1.495M

For Hapuna Estates, obtain the Developer's Public Report for a Condominium required by Hawaii law and read it before signing a binding sales contract. No federal or state agency has judged the merits or value, if any, of these properties. This does not constitute an offer to sell or a solicitation of any offer to buy where prohibited by law.

## AT THE BELOVED MAUNA KEA RESORT

Considered the most sacred of the island's five volcanoes, Mauna Kea's summit is the highest in all Hawaii. Quite naturally, ancient Hawaiian law reserved visits to the peak for only the highest-ranking nobles.

In keeping with this tradition, the most spectacular property at the resort is at the highest elevation, on the golf course, with expansive ocean views. Express your interest in these homesites, several are offered with visionary architectural plans.
