This magnificent Diamond Head "Cove Area" beachfront masterpiece harmoniously fuses traditional Hawaiian architectural elements with an open modern lifestyle floorplan. The grand reception areas lead out to extensive wraparound lanai areas, a covered grill space, and a beachside seating area—perfect for enjoying sunsets and drinks while taking in the endless views of the Pacific Ocean. The cove area homes are slightly elevated so from the main living areas of the home you have "white water views and sounds" of the ocean that are forever. The upper level boasts a large primary ocean view bedroom, two additional en-suite bedrooms, and an unmatched office with ocean views that you'll never want to leave. Refreshing pool, lush private landscaping, gas generator, elevator, unmatched location, style, comfort, and distinction define this Diamond Head gem.
