This property presents a rare opportunity to own one of the crown jewel legacy estates in Holualoa. Nestled within five acres of tropical foliage, this 6,300 sq. ft. architectural masterpiece offers commanding vistas of the Kona coastline and an unparalleled, private, island lifestyle. Enter through the historic wrought iron gates, drive beneath your private tree tunnel, and into life in Hawai'i the way it was meant to be lived. The five-bedroom, four-bath estate has recently undergone a multimillion-dollar renovation and includes three structures: a grand main home, a lovely Ohana home, a carriage house with living space, and 2,600 square feet of covered and open lanais. It is offered beautifully and fully furnished.
