A rare, oceanfront jewel, Maui’s premier estate blends timeless architecture and design with a magnificent setting. Perched just 25 feet from the shoreline, of all-concrete construction, this exquisite residence can never be duplicated this close to the beautiful Pacific. Large glass doors open the great room, with its 17-foot vaulted ceilings and romantic star-shaped skylights, to shimmering ocean views, including the islands of Lanai and Molokai. Enjoy magical year-round sunsets and whales frolicking in season. Gracious lanais set the stage for the inviting palapa, perfect for casual outdoor living and dining. Steps away, the heated swimming pool, finished in mosaic tile mirroring the sea, and inset spa await. A garden lap pool, fully stocked koi pond, and lush, mature land scaping enhance the setting.
