This home was meticulously constructed, leaving no room for chance. The pool, waterfalls, courtyard ponds, fire pits, and outdoor kitchen are all of exceptional quality. The interior and exterior are adorned with beautiful sapele wood ceilings, while the bathrooms and pool feature custom mosaic tile. Situated on the fourth hole of the renowned Mauna Lani South course, the sunsets here are simply breathtaking. The pool and spa offer an unparalleled experience, and the outdoor kitchen features a Lynx grill and pizza oven. Home includes a 35-panel solar system that generates 14.35 kilowatts of power, powered by a 6-Enphase battery system.
