

AWARD-WINNING LANDSCAPE DESIGN

— SEAMLESS INDOOR–OUTDOOR LIVING —

A wide-angle photograph of a modern, two-story house during sunset. The house features a long, low profile with large glass doors and windows. In the foreground, a large, rectangular swimming pool with a built-in fire feature is the central focus. To the left, a covered outdoor living area with a fireplace and lounge chairs is illuminated by warm lights. The sky is filled with dramatic, colorful clouds.
